RE: UNKNOWN SUBJECT;
MARIA PULTS - VICTIM
EXTORTION

The following investigation was conducted by SA E. CLEON GLAZE:

AT SAN ANTONIO, TEXAS

This investigation was predicated upon receipt of a telephone call from MARIA PULTS, 215 Wonder Parkway, San Antonio, Texas, on November 30, 1963, advising that she had received a threatening letter in the mail from an unknown individual. She said the threat was to kill her because she offered aid to the family of LEE HARVEY OSWALD, accused assassin of President JOHN F. KENNEDY.
